**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like for broadband services to be competitive and not be taken over by big telephone companies; I do not want prices for my internet and telephone services to be raised by the lack of competition in the open market. I currently enjoy my services that I receive from Sonic. The prices that Sonic provides are very competitive and affordable.
